General Information

Overview

Our Summer Camp, for Preschool-5th grade students, is designed to give your child an opportunity to learn and explore in a nurturing environment. The average child-adult ratio is 1 to 10. This allows for the students to benefit from a small group and gain more personal attention from our camp staff. Your camper will have an opportunity to attend any/all the weeks within this four-week offering. All camp staff will have their Covid-19 vaccines. Give your child a summer filled with new friends and great memories!

Camp Dates

Session 1: June 21st - June 25th

Session 2: June 28th - July 2nd

Session 3: July 6th - July 9th

Session 4: July 12th - July 16th

We will be closed on July 5th

Camp

4:00-4:30

Pick Up

1.

Session 1- "Bon Appétit"

Come and join us for a week full of cooking. Students will learn many culinary skills, such as food preparation, food handling, and cooking safety. Our week will include cooking workshops every day. There will be a virtual field trip from Culinary Artistas where students will be preparing and cooking a delicious recipe.

2.

Session 2- "Artful Antics "

"Art encourages children to think, develop skills and confidence as they go" MaryAnn Kohl. Lets channel our inner creativity and inner artist this week. Students will be exposed to crafting, painting, and much more. Our week will include art workshops everyday. There will be an in-school field trip from Color Me Mine. Students will be able to paint a ceramic piece and take it home afterwards.

3.

Session 3- "Red, White and Blue & Blue, White and Red"

Stars and stripes, Oh My. Students will have a chance to participate in many crafts and games in celebration of Independence Day and Bastille Day. Our week will include competitions each day with a fun party on Friday. We will have an in-school field trip from Challenge Island. Students will be presented with a STEAM project to work on.

4.

Session 4- "The Great Outdoors"

What is more fun than spending time outside under the sun? This week students will have a chance to explore, discover, and learn about the outdoors. Our week will include setting up tents and a nature scavenger hunt. We will have an in-school field trip from Challenge Island. Students will be presented with a STEAM project to work on.
